The Board of Selectmen met Monday evening, April 14, and acted on a long and varied agenda. The Selectmen approved the Director of the Bureau of Forestry's appointment of Robert Davis as Fire Warden for a period of three years.

Don Bennett, executive director of the Greater Bethel Chamber of Commerce met with the Board to request a parade permit and use of the Common on Patriots Day, Saturday, April 19. Mr. Bennett outlined the schedule of events for Saturday and explained the proposed parade route. The Selectmen supported the Town Manager's issuance of a parade permit for the event and approved an application for individuals or groups wishing to use the Common and other Town property.

By requiring a permit and a deposit for use of the Common and other Town property, the Selectmen will have greater control over the time allowed for activity set up and clean up operations. With some past events, clean up has been slow and the Selectmen have received numerous complaints about it. Refundable deposit fees were set at \$50 for part use of the Common and \$100 for full use of the Common.

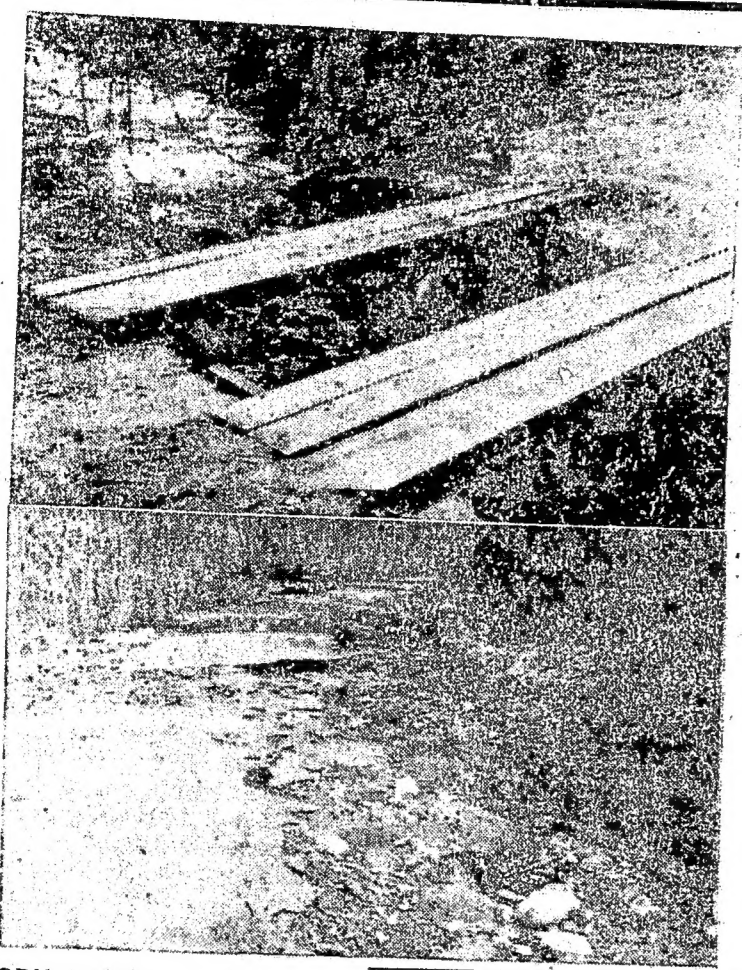

The Board spent considerable time in discussion of providing ambulance service to other towns. Some neighboring communities fully funded the amounts requested by the Ambulance Service and others only partially funded the service or did not fund it at all. The Selectmen directed the Town Manager to send letters to the towns indicating that it was not equitable for towns supporting the service to subsidize service to communities not providing full support and that Bethel, after adequate notice, would no longer be able to continue to provide this service.

S. A. D. #44 BOARD EXPELS STUDENT FOR REST OF YEAR

The board of directors of S. A. D. #44 held a special meeting at the Telstar Library on Monday evening of this week. Following a hearing, the directors voted 11 to 5, to expel a 16-year-old sophomore student at Telstar for the balance of the current school year. It was also unanimously recommended that the student receive counseling. The action stemmed from a fighting incident in a classroom.

In other action the directors approved dollar amounts to be included in the warrant for the annual budget meeting to be held May 5 in the Telstar Auditorium. Concluding the meeting was an executive session to discuss personnel matters.

All current board members were present at the meeting. The next board meeting is scheduled for April 28.

STORM DAMAGE — The lower photo shows damage caused by the heavy rains of last Thursday, April 10, on the Holt Hill Road in East Bethel. The upper photo shows the temporary plank bridge crossing a ditch dug by the Bethel Highway Department to forestall more extensive damage to the road. Expense of repairing the road was between \$1,500 and \$2,000.

S. A. D. #17 Hires Smith as Supt.

The board of directors of M. S. A. D. #17, meeting on Monday evening of this week in South Paris, voted to hire Kenneth Smith as the superintendent of the Oxford Hills District effective July 1, 1980. He has served as S. A. D. #44 superintendent since July of 1976.

SOLAR MINI-FAIR AT TELSTAR TONIGHT (THURSDAY)

There will be a Solar Mini-Fair at Telstar Regional High School on Thursday evening, April 17 (tonight) beginning at 7 o'clock. This has been planned by the S. A. D. #44 Adult and Community Education Solar Energy course as the final program for their eight week course, and will be open to members of the public, as well as to students in the course. Course instructors Tim Kersey and Larry Arsenault have invited a number of suppliers and experts on alternative energy sources to attend, and the evening will begin with presentation to those attending, after which there will be small group sessions lasting approximately one hour, followed by a film.

Kersey and Arsenault have received confirmation from the following who will be presenters: George Cooper, representing Solar continued on Page Five

MOSES MASON AWARD DEADLINE MAY 1

Gould Academy and Telstar Regional High School students interested in the Dr. Moses Mason Award are reminded that May 1 is the deadline for submission of essays to the principal of the school for consideration by the judges. The essays must be on a subject confined to Oxford County and based on primary research not less than 500 words nor more than 3,000 words. The prize consists of a handsome certificate and a \$100 savings bond. For further information, please call the Bethel Historical Society at 824-2908.

RAAPA SPONSORING DINNER THEATRE

The Rumford Association for the Advancement of the Performing Arts (RAAPA) will be sponsoring a dinner theatre on Friday and Saturday evenings, April 25-26, at Louis' Beau Rivage in Rumford. A social hour, beginning at 6 o'clock, will be followed by a smorgasbord dinner and a Neil Simon play, "Plaza Suite", featuring local talent. The chorus will also present a musical revue. Although the Saturday show has been sold out, tickets are still available for this delightful evening of entertainment on Friday and may be reserved by calling Lyn Bristol at 824-2233.

SCREENING/ORIENTATION PROGRAM PLANNED FOR NEXT FALL'S KINDERGARTENERS

M. S. A. D. #44 has planned a screening and orientation program for children who will enter kindergarten next fall. Similar programs have proved valuable in the past. Teachers are able to plan appropriately for the children, and the children become familiar with their classroom before opening day.

To prepare the parents for the screening and orientation process, they are invited to a Parents Night to be held in three (3) locations: Ethel Bisbee School on Monday, April 28, at 7 p. m. for parents in Bethel, Gilead, and Newry; Andover Elementary School on Tuesday, April 29, at 7 p. m.; Woodstock Elementary School on Wednesday, April 30, at 7 p. m. for parents in Woodstock and Locke Mills.

Parents will have the opportunity to meet the kindergarten teacher and to receive material helpful to the five-year old child. Refreshments will be served.

May 5 to be Bethel's Clean-Up Day

The Board of Selectmen at their meeting Monday evening, set Monday, May 5, as Bethel's Annual Clean-Up Day. Highway Department crews will pick up waste materials left at roadside beginning at 8 o'clock that morning. Leaves and other loose material should be placed in bags or other appropriate containers and brush should be tied in bundles. Materials should weigh no more than can be lifted by two people. All citizens are urged to participate in clean up activities and utilize this local service.

Residents are also asked to assist in cleaning up junk cars on their property. State laws prohibit the retention of junk vehicles on a person's property without a junkyard permit. The Town will be taking legal action in the near future if residents fail to comply with this law. Persons wishing further information regarding the law or requirements for junk yard permits should contact the Town Office.

WOMEN'S WORKSHOPS ON SELF BREAST EXAMINATION TO BE HELD APRIL 30 & MAY 1

Breast cancer is the number one cancer among women in this country. Each year there are 90,000 new cases and 33,800 deaths due to breast cancer.

Effective treatment depends on early diagnosis. The best way to do this is by monthly breast self examination (BSE), together with medical check-ups that include mammograms (breast x-rays). Breast cancer occurs most often among women of middle age; it is the leading cause of death in women ages 40 to 44. But it can strike any women of any age, so BSE should be established as a lifetime habit when girls reach high school age.

The Bethel Area Health Center in conjunction with Telstar Health Coordinator Mary Ann O'Connor, is presenting a workshop for women of all ages on learning how to perform BSE. The two hour workshops include: a movie from the American Cancer Society, a tape about mammography, and a demonstration of techniques for BSE on a plastic model. Workshops will be held on Wednesday, April 30, at 7 p. m. at the Telstar Library, and Thursday, May 1, at 1 p. m. at the Methodist Church, Bethel. For more information contact Kathie Tremblay at the Health Center, 824-2193.

Learn BSE—it could save your life.

Al-Anon and Alcoholics Anonymous—separate meetings—both at Bethel Savings Bank, Wednesdays, 8 p. m. No dues or fees. Emerg. cr info., call 824-2233, 836-3222, 875-3992.

Special Bethel Town Meeting; Hearings Scheduled for Monday, April 28

The Bethel Board of Selectmen at their meeting April 14 set a Special Town Meeting for Monday, April 28, at 7 p. m. in the Bethel Fire Station for the Town to consider adoption of a resolution to allow the Maine State Housing Authority to operate in Bethel. The wording of the proposed resolution is as follows: "Be it resolved by the inhabitants of the Town of Bethel as follows: The Maine State Housing Authority is authorized to seek and may contract for financial assistance from the Federal Government for the purpose of providing housing for low income elderly persons in the Town of Bethel, Maine."

If the Town passes this resolution, the Maine State Housing Authority will be able to consider proposals such as John Waseleski is proposing for the former Thunderbird Motel. However, any specific proposal for housing looked favorably upon by the Housing Authority would have to come back to the Town for Town Meeting approval.

In effect, by the Town passing this resolution, it would only open the door for the Maine State Housing Authority to operate in Bethel; it would not give approval for any specific project.

In terms of the Section 8 Existing Housing Program, the Consent Resolution would allow the Maine State Housing Authority to subsidize existing housing units occupied by elderly persons.

Also on April 28, following the Special Town Meeting, the Selectmen will be holding public hearings regarding their adoption of General Assistance Rules and Regulations and an amendment to the Special Amusement Permit Rules and Regulations to increase the fee for such a permit from \$10 to \$50. Copies of the proposed General Assistance Rules and Regulations are available for inspection at the Town Office during regular office hours.

A public hearing will also be held concerning the Selectmen's adoption of an ordinance regarding fees for Lodging Houses. The Selectmen would be adopting the same fees as were approved at Town Meeting in March. This adoption by both the Town Meeting and the Selectmen has been advised by the Town's legal counsel because of confusing wording in the State Law. Again, copies of this proposed ordinance are available for inspection at the Town Office.

Program for Patriot's Day, Sat.

The program for Saturday's Patriot's Day celebration in Bethel is as follows:

11 a. m. Preparation for the encampment begins on the Common.
12:50 p. m. Ringing of church bell signals arrival of messengers.
1 p. m. Parade from Mechanic Street up Main Street then along Broad Street and around the Common. Moses Mason Museum open.
1:45 p. m. Assembly in the vicinity of the flag pole and honor roll on the Common to hear greetings from Sudbury, Mass.

2:00 p. m. Start of Minuteman Race and encampment opens.

3:00 p. m. Art contest judging on Main Street; Bethel Historical Society Scavenger Hunt from the Moses Mason Museum; slide program in the Museum on Oxford County Architecture.

4:00 p. m. Drawing for canoes being raffled off to raise funds for celebration's expense. Drawing to be held at the Pillory on the Common.

5:00 p. m. Public supper at Odd Fellows Hall.

Parade Sequence and Formation on Mechanic Street

1. Riders on horseback; 2. American Legion with colors and colorguard; 3. Old Crow Indian Band; 4. Colonial families and pioneers; 5. Upper Collias Picket Co. militia; 6. Civic groups; 7. East Butterfield Militia; 8. Yankee Doodle and accompaniment from Gould Academy.

CETA TRAINING OFFICE IN BETHEL TO CLOSE APRIL 25

The CETA Training Office on Railroad St., Bethel, will be closing on Friday, April 25. Outreach Worker, Ginny Walker will be at the Bethel Town Office Fridays, 9 a. m. to 12 noon. She may be reached by phone at her home 824-3384 from 8 a. m. to 4:30 p. m. Monday thru Thursday. North Waterford Boy Rescues Dog From Ice Waters

John McAllister, 14 years of age, son of Mr. and Mrs. Irving McAllister, saw his dog, Rascal, floundering in the icy pond at Five Kezar Lakes last Tuesday. With his quick thinking and the good training he had received at First Aid and Boy Scouts, John got a long ladder and pushed it out to some solid ice near enough so he could reach poor Rascal, who, by now was nearly frozen. He managed to get back to shore with his dog. Needless to say they both looked liked drowned rats and were shivering from their bout in that cold water; but very happy they were both safe on shore.

Knight Riders Club

Clyde Stanton, Mike Cummings and Jo Sanderson, attended the last meeting of the Knight Riders Club in East Stoneham, Tuesday night. The Club is recessed until September.

They decided not to put the new Ski-Doo Citation, which the club won this winter, up for sale until after the meeting. Nearly 30 attended. Bill Hunt was appointed to look into the purchase of a bush cutter, and if he found one to fit the club's needs, to buy it. Trails were also discussed.

It's hoped to have a cook out or two this summer. All officers were present. Cindy Fox and Jo Sanderson were on the refreshment committee.

Dorothy Erickson is a house guest at Gladys Knight's.

Mr. and Mrs. Murray Cooper and grandson, Wayne, of Arlington, Mass., spent the week end at their trailer, here for the first time this spring.

Edith Holt and Christine Lord attended the Senior Citizens board meeting Wednesday at Theresa Proctor's home in Bridgton.

—Eveline Barrett, Corres.—
Several weeks ago I reported that Mr. and Mrs. Leon S. Hadley Jr., had a new granddaughter.

When it should have read two. One was born March 10, 1980 and one was born March 12, 1980, so Gramma and Gramma will each have a bundle to rock. Congratulations to you and the parents, the two daughters.

Lots of water is going under our bridge and the brook is overflowing into the fields, due to the heavy rain Wednesday night, Thursday. April showers bring forth the Mayflowers.

Doris Lawrence and Marietta Penley attended the smash hit "Oklahoma" and they agreed it should run for three weeks instead of three nights. It was terrific.

School vacation is just around the corner.

Betty Stevens had a girl friend visitor on the week end.

The Tripp family had a phone installed.

Eveline Barrett called on Beryl Oja and Ruby Coffin. Ruby dug a basket of parsnips. Umm. Good tonic.

Such ball games. I'll have to cheer harder for the Bosox, so they will bring home the pennant. My neighbor has a flock of guinea hens and they are chasing a large Rhode Island red rooster up the road to his home. Maybe they are singing "Home on the Range."

and watch out for them. We don't want any of our young people hurt or hospitalized.

Sunday River

Mrs. R. M. Fleet, Corres.

Sent in by Eva Yates:

A nice sunny Sunday afternoon but that breeze is not the warm summery one that Peggy phoned they were having in Florida. Our snow has gone and the ruin Thursday did a lot of damage. What with all the culverts and waterways full of ice—the water had to go some place. But I believe a good part of it soaked into the ground but the water pipes are still frozen and will be till May. Anxious as we are for them to thaw they have to have time. Oh Evelyn—Eva doesn't have syrup on her pancakes, she has ketchup. It's better for you and doesn't rot the false teeth so badly.

Maude Harrington was in on that rainy Thursday P. M. and the world looked much more cheery after a little chat with Maude.

Helen Rannels was in on Saturday, gathering for the Cancer fund. She too is a cheery one to have call.

Mr. and Mrs. B. H. Yates had their new fifth-wheeler out for a trial run on Saturday. The Ford pickup took them right up thru Grafton Notch without a groan so they feel quite sure she will take them where they want to wander this summer. It sure is a lovely home on wheels.

Elden Yates talked on the phone with Gram Yates Sunday. He and friend are still working in Miami only they are 35 feet higher up in the air. About 95 feet up now he says.

Reports are that Mrs. R. M. Fleet has a new colored T. V. Glad for you Julia and hope you are enjoying it and getting better every day. You are missed in lots of places.

Russell Yates, also Jason Yates, were in Norway on Friday to see the doctor.

Darnita Yates spent Easter week end with her parents from her work in Vermont.

Bear River Grange #985, met at their hall Saturday night. The meeting was preceded by a pot luck supper. A big surprise when Jean Ness came in and then all were introduced to our newest Grange member, Master Mark Tripp, 5 days old. Things were all so new to him, he was not too enthused with Grange. He is the Easter baby of Raymond Jr. and Connie Tripp. Next meeting will be April 26, with a supper of the same and Mr. and Mrs. Tripp will take charge of the program.

Bear River Grange is invited to East Wilton to past Masters Night April 19. All should plan to go as

Mrs. Ethel Files enjoyed her birthday Sunday by having dinner at the Cole Farms. Going with her were her two daughters and husbands and her two grandsons and families. She received many pretty cards and presents. It was a most enjoyable day for her.

Mrs. Agnes Files attended the wedding of her grandson, Peter Files, in Portland Friday night.

Mr. and Mrs. Donnie Stevens and little son of Portland visited his mother Sunday. They also visited Mr. and Mrs. Russell Dudley. Congratulations are being extended to Eunice Brown and Edgar Grover on their approaching marriage in May.

Mrs. Hazel Allen of North Waterford visited me Sunday, also my brother and wife of Bethel. Mr. and Mrs. Donald McAllister visited his sister, Helen Grover, Sunday, also Mr. and Mrs. Arthur Gouin of Norway.

NEWS FROM THE S. A. D. #44 ADULT EDUCATION PROGRAM
As classes from the spring term Adult and Community Education come to an end over the next few weeks and plans are made for the graduation of 20 adults from the high school completion program, the process of planning for next fall's program gets underway. Any one with suggestions to offer for courses or who is interested in teaching a course should contact Cathy Newell at the Adult and Community Education office, 824-2136 ext. 25.

The Birds class is planning two field trips, one on Saturday, April 19, to the Farnsworth Natural History Museum in Johnsbury, Vt. and the other on Sunday, April 27, to the Scarborough Marsh in the Portland area. Both trips can accommodate a number of people who are not enrolled in the course. Those interested should contact Don Feeney, 824-2475. There will be a small charge for transportation.

Adult and Community Education Director Cathy Newell, spoke to the Bethel Rotary Club on April 15 on aspects of the S. A. D. #44 Adult and Community Education Program. Mrs. Newell would be happy to speak to community meetings in the S. A. D. #44 area upon request.

They need help and always make everyone most welcome. The next meeting will be May 5 at Franklin Grange, Bryant Pond, with refreshments after the meeting.

CUB SCOUTS PACK 566
Tuesday, April 29, is the annual Father-Son Cake Bake. The rules are simple. All the cub and his parent have to do is bake a cake; big, little, fancy, plain, chocolate, anything you want. All cakes should reflect the April theme, "Let's Make Music." Then at the pack meeting, the cake will be auctioned off to the highest bidder, proceeds going toward cub scout camp week end this summer. There have been canoes, ranger stations, pinewood derbies, and all sorts of imaginative conglomeration, and as far as anyone knows, they have all been delicious. See you there, Bethel Savings Bank, 7 p. m.

SENIOR CITIZENS MET APRIL 9 AT CONGREGATIONAL CHURCH
The Bethel Senior Citizens met Wednesday, April 9, at the Congregational Church for their regular meeting. There were 103 members and guests in attendance. Maude Danforth circulated the registration book and Doris Fraser was in charge of the mystery package.

The meeting was called to order by the president, Muriel Faudi. Rev. Millett Cummings offered prayer followed by Lord's Prayer in unison.

Secretary's and treasurer's reports were read and accepted. The group now consists of 150 members.

Floribel Haines reported that 22 get well or sympathy cards had been sent during the past two months. Flowers were sent to Agnes Chase and Roderick Harthorne.

The president called attention to the forthcoming trip to The Nordlands in June.

The birthday cake, made by Leona Flint, was furnished by Mr. and Mrs. Clarence Waterhouse, Alice Kimball, Elsie Inman and Eva Lane. Those seated at the birthday table were: Donald Bennett, Dora Ford, Alice Kimball, Mary Knights, Leona Lurvey, Kathryn McAllister and Evelyn Reed.

The next meeting will be held at the Sunday River Inn with Dr. Gerald O'Connor as the guest speaker.

Rev. Cummings offered a blessing, after which a delicious meat loaf dinner was served. The afternoon entertainment was furnished by a group of senior citizens from West Peru who presented their comedy skit, Tee-Hee.

WEST BETHEL Children's Center

The circus has come to the Center this week. A parachute is the Big Top Circus Tent. Activities involve circus music, animal sounds, making wallets to carry circus monies in, making elephant feet and making up clown faces on the children.

Head Start vacation will begin April 21-25. Patriots Day is also a holiday for the Day Care children as well. However, the Center will be open the rest of the week for Day Care.

The Center is celebrating the 15th birthday of Head Start on Friday, April 18, by having an open house at the Center. Coffee and cake will be served from 9:30 to 5:00. Anyone who would like to attend, please do. Here's an opportunity to visit the Center and find out about the programs offered.

Menu — April 21-25:
Monday: Center Closed, Patriot's Day.

Tuesday: Breakfast — Graham cracker, peanut butter, juice, milk. Lunch — Macaroni and cheese, tossed salad, apples, milk.

Wednesday: Breakfast — Raisin bran, apples, muffins/FB, milk. Lunch — Baked chicken, stuffing, carrots, milk, bananas.

Thursday: Breakfast — Cream of Wheat, juice, milk. Lunch — Hamburg and gravy, potatoes, green beans, pears, milk.

Friday: Breakfast — Boiled eggs, toast, oranges, milk. Lunch — Fried fish, cheese sauce, brown rice, cole slaw, apples, milk.

Mrs. Ray West and family for birthday cake and ice cream.

Mr. and Mrs. Richard Hayes and Heidi of Shelburne, N. H., were Sunday callers on Mrs. Frances Bennett.

Mr. and Mrs. Andrew Boyd returned home on Sunday afternoon after a vacation spent in Bermuda.

Mrs. Chuan Tran and Shana of Winthrop arrived Monday to spend a few days visiting her parents, Mr. and Mrs. Richard Walker.

A new correspondent is needed by May 1 for the West Bethel area.

MIDDLE/HIGH SCHOOL FACULTY MEMBERS ATTEND DRUG EDUCATION WORKSHOP

S. A. D. #44 Middle and High School faculty members attended a workshop on "Productive and Counter Productive Teaching Techniques in Drug Education" on Wednesday afternoon, April 9. The afternoon was organized by Mary Ann O'Connor, S. A. D. #44 Health Education Coordinator, and Sue Bell, Health Education Coordinator for S. A. D. #17 and Coordinator of the Drug Alcohol Team of Oxford Hills. The afternoon consisted of a presentation by Ms. Bell of teaching methods which had been proven positive or negative in the effect with students followed by small group discussion of those teaching techniques.

Ms. Bell stated that the problem of chemical dependency is not just a school problem and schools cannot realistically be expected to assume all the responsibility for it. Oftentimes the community looks to the schools to provide all the answers, not recognizing that chemical abuse is a problem of business and industry, law enforcement, medicine and the general community as well. Educators need to recognize, however, what is realistic for them to undertake and then to provide those things. Three things that can be undertaken in the school setting, with support from the community, are: (1) to provide prevention programs i. e. K-12 curriculum; (2) provide an atmosphere where people can get help i. e. identify problems and refer them for help; (3) provide support for people with chemical problems, i. e. students who have problems themselves or are affected by a problem in their families. It was in order to know what works and what does not that counter productive and productive techniques were explained.

The focus of a program dealing with the problems of chemical dependency needs to be on the community with school as a part of that community, on adults as well as youth; on alcohol as well as other drugs; and on productive ways to deal with the problem.

ENVIRONMENTAL PROTECTION DEPT. TO BEGIN ENFORCING NEW HAZARDOUS WASTE LAW

The Maine Department of Environmental Protection will begin immediate implementation of a new hazardous waste law, according to Hollis McGlaughlin, Director of the DEP's Bureau of Land Quality Control.

The new law authorizes the DEP to designate the substances to be considered hazardous, provides civil and criminal penalties up to \$25,000 for each day of violation, authorizes the Board of Environmental Protection to establish rules for handling of hazardous wastes and requires a study of hazardous waste management in the state and the development of a plan for safe and effective hazardous waste management. The law also allows the DEP Commissioner to order those responsible for mishandling of a hazardous waste to take whatever action deemed necessary to mitigate any public danger at the responsible party's expense.

Although no additional funding was provided, the Department will use existing financial and personnel resources in developing a program to implement the new legislation which was passed by the 109th as LD 1884 and signed by Gov. Joseph E. Brennan on April 1, 1980. Because of its emergency preamble, it became effective with Gov. Brennan's signature.

"The DEP's first action will be to designate, after a public hearing, those substances deemed hazardous wastes," McGlaughlin said. This will allow legal action to be taken where these wastes are being improperly handled and allow the Commissioner to take emergency action when circumstances require it, he said.

To the People of the Bethel-Andover Area:
I am writing this letter to the folks of Bethel and Andover because, I think that in our case, a card of thanks is simply not enough to express our gratitude and appreciation for everyone's support during the illness and death of my husband and Rick and Ken's father.

In our situation, having moved into town fairly recently, we knew that we had adopted Bethel as our home town. The consideration and kindness shown to us in our time of need has shown that Bethel has indeed adopted us also.

My husband loved this area and thought that it was a great place to live and raise children. He regretted that we had not done it earlier in our lives.

We intend to remain here and although we know that there will be difficult times ahead, I'm sure that we'll cope, especially since we know the people from Bethel are behind us.

Gratefully,
Muriel Whitney

HISTORICAL SOCIETY WILL SPONSOR PATRIOT'S DAY SCAVENGER HUNT

Do you know the name of Bethel's first town clerk or can you come up with an article associated with the 1931 Indian Raid celebration? These are two of the items that participants in the scavenger hunt sponsored by the Bethel Historical Society on Patriot's Day, April 19 may be asked to produce. The hunt will begin at 3 p. m. at the Moses Mason House front door on Broad Street and be open to all students 18 years old and younger and is limited to individuals. The winner of the hunt will be the one who accumulates a list of twenty items in the shortest period of time. A prize will be awarded to the winner by Society President Catherine Newell who will conduct the contest. All participants are urged to gather at the Moses Mason House by 2:45 to receive the list from Mrs. Newell and begin the hunt.

The museum will also be open on Patriot's Day, April 19, from 1 to 4 p. m.

MOOSE SEASON REGULATIONS APPROVED

There will be no other hunting allowed in northern Maine during the six-day moose season this September, according to Fish and Wildlife Commissioner Glenn H. Manuel.

Manuel said that measure is one of several regulations he will promulgate to cover matters not addressed by the law establishing the limited open season on moose. All were discussed at public hearings and were recently approved by the Fish and Wildlife Department's Advisory Council.

Other regulations will require that all moose hunters wear an article of hunter orange clothing, will define legal hunting hours, and will describe proper registration and transportation procedures. Also, those portions of Baxter State Park which are normally open to hunting will be closed to moose hunting.

Manuel said the ban on other hunting during the moose season week is intended as an aid to enforcement and to "help assure that Maine's first moose season in 45 years is as free of potential criticism as we can possibly make it."

The main effect of the ban will be on bear hunters, for six days only, and only north of the Canadian Pacific Railroad tracks.

Manuel also noted that through the first week in April the Department had received about 8,000 applications from moose hunting permit seekers. 700 permits will be issued following a public drawing in July. "Excellent odds to be drawn," Manuel observed.

Application blanks and information on the moose season are available from resident license agents. The limit is one \$5 application per person, and the applicant must possess a valid Maine resident license to hunt.

TELSTAR SENIOR PROFILES

Jacqueline Ray Martin will major in Engineering in September, 1980. She has her choice of attending the University of Southern Maine or the University of Maine at Orono.

Jackie has been an outstanding all-around student since she entered Telstar in the seventh grade. She was inducted into the National Honor Society early in her junior year largely because teachers felt so positively about her. She was a delegate to Girls State for the same reasons. Jackie has been an active member of the Yearbook Staff, Library Club, Spanish Club, Girls Athletic Association and she lettered all four years on Telstar's varsity softball team.

Jackie lives in Bryant Pond. Her parents are Rexford and Donna Martin.

Sandra MacKay enjoys working with younger children and has decided to enter into the field of elementary education. She has received acceptance into this program at three divisions of the University of Maine: Farmington, Orono, and Southern Maine.

Sandra is a polite, poised, motivated young lady with a pleasing personality. She has achieved a maturity beyond her years and this is reflected in the amount of responsibility she is able to assume. Sandra has been an active citizen both in school and in the community. Some of the school activities that she has participated in are the Student Council, Newspaper Staff, basketball, field hockey, track, cross country, and cheering.

Sandra was Bethel's Miss Poppy in 1968 and was a dancer in the Plain & Fancy production in 1979. She was a delegate to Girls State her junior year and has been a class officer for three years.

Sandra is the daughter of Blake and Rachel MacKay, Bethel.

WALKING WITH JESUS CHRIST
The Merry Go Round

Ride the merry go round—hear the music as round and round we go—some on the inside—others in between—while the brave ones ride the outside reaching for the brass ring to get a free ride. It's fun riding the merry go round—get another ticket—pick another seed, one that goes up and down—excitement for the youngsters—a make believe world and we don't want to get off!

You guessed it! That's how life is—round and round—year after year, and like the merry go round—to get older and it gets tough to hang on. Oh yes, the sun shines now and then and we have a little fun—but the merry go round still chirps "Come on—ride a bit more."

Riding the merry go round is nothing new—the Israelites walked "around the mountain" for 40 years. King Solomon got on and off the merry go round as we see in Ecclesiastes—"Vanity of vanities—all is vanity"—he wrote of a life which is empty, without permanent value—leading to frustration—fill in the next to last verse he says—"Let us hear the conclusion of the whole matter: Fear God, and keep his commandments, for this is the whole duty of man."

Many will want to continue this hopeless and endless travail of

FROM THE TOWN OFFICE

continued from Page One
service unless full support is approved.

The Selectmen accepted with regret Paul Bodwell's resignation as a Director of S. A. D. #44 and directed the Manager to send a letter of appreciation to Mr. Bodwell. Mr. Bodwell's resignation was effective April 8 due to his employment with the School District as a custodian. The Selectmen will be appointing an individual to take Mr. Bodwell's place until the annual municipal election in March of 1981. Any resident interested in being considered for this appointment should contact the Town Office or any member of the Board of Selectmen by April 21. The Board plans to interview interested persons on Tuesday evening April 22.

The Selectmen made the following appointments: Ballot Clerks for two years—Elizabeth Bane, Dorothy Bartlett, Alvin Barth, Jane Barth, Katherine Bennett, Carolyn Brooks, Barbara D. Brown, Lynda Chandler, Stephen Chandler, Rosalind Chapman, Ginny Cole, Elaine Dresser, John E. Grover, Geraldine Howe, Louise Lincoln, Pearlina McMillin, Alberta Merrill, Edith Rowe, Eunice Roy, Judith Webster, Barbara Weeks, Judith Young, Becky Bailey, Melody Bonnema, Susan Farrar, Don Feeney, Betty Gilbert, Celia Gorman, Eugene Kelly, Marguerite Kendall, Michelle Keyes, Robin Lee, Jean McGuire, Catherine Newell, Susan O'Donnell, Wendy Rice, Emily Saunders, Carol Starr, Don Taylor, Agnes Thurston, Margaret Tibbets, Elizabeth Wheeler, and Edleen Winslow. Also appointed were Danny Davis and Herbert Lyon as members of the Budget Committee for three years; Maryvonne Wheeler and Lawrence Bartlett as Recreation Board members for three years; Barbara D. Brown as a member of the Community Safety and Law Enforcement Committee for three years; Peter Haines and Dexter Stowell as members of the Board of Appeals for three years. Burnham Rice, Robert Davis, John Greenleaf, Arnel Brown, Blake Mackay, Arlan Jodrey, and Marcus Moore as members of the Radio Study Committee for one year; Mary Buckman, Neil Merrill, Clark Bartlett, Arlan Jodrey, Ronald Stevens, Robert Davis and Rolie Glines as members of the Facilities Committee for one year; Blake Mackay as Electrical Inspector for 1980; and Diane Hunt as Animal Control Officer for 1980.

Pole Permit applications from Central Maine Power Company for Chandler Hill Road and Grover Hill Road were approved. The Grover Hill Road permit was approved with pole location changes, as recommended by the Manager. On reviewing street light changes and requests, the Board voted not to install a light on Route 232 based on street lighting guidelines set by Town Meeting in 1968. It was also directed to eliminate the street light on Kilborn Street near the John Brown residence as a larger light will be installed at the corner of Chapman and Kilborn Streets. The Board also directed the Manager to initiate a program to eventually switch away from incandescent lights.

The Manager reported that the heavy rains last Thursday caused about \$7,500 damage to Town roads. Places most affected were the back side of Paradise Road, Northwest Bethel Road, Grover Hill Road, Bird Hill Road, and the Holt Hill Road. Most severe damage was caused by culverts still partially filled with ice not being able to handle the high flows. The Manager also reported that the U. S. Forest Service's Youth Program was cutting brush on the sides of the runway at Col. Dyke Field and that the brush was being chipped.

A short executive session was held at the end of the meeting to discuss advice from legal counsel on a personnel matter, and negotiations regarding a sandpit lease.

Kinetics which is a system of thermo siphoning air panels (TAPS); Mark Ancker, Special Projects Coordinator for Oxford County Community Services who will have materials on programs for weatherization and resources available from OCCS; Rupert Grover of Fryeburg, representing Fire Line, a fireplate system involving baseboard and domestic hot water supplies; Bill Patrick of Maine Energy Systems which supplies solar designs, and wind and hydro site analysis, and Joe Parise of Rumford, representing Solar Bank, a portable window-installed unit. Tentative confirmation has been received from Dumont Industries of Monmouth who are involved with solar technology and the Hill Wood Boiler.

The Solar Energy class offered through S. A. D. #44's Adult and Community Education program has been a pilot project in conjunction with the Northeast Solar Energy Center of Cambridge, Mass.

The Maine Department of Transportation (MDOT) may extend the lawful use of studded tires, with such notice originating from MDOT officials.

The state police chief said the motor vehicle law does not prohibit the use of tire chains when required for safety because of snow, ice, or other conditions tending to cause a vehicle to slide or skid.

STUDDERED TIRES MUST BE OFF AFTER THURSDAY, MAY 1
Studded tires cannot be used on Maine roads after May 1.

"The motor vehicle law states that tires having metal studs, wires or spikes protruding from the tread can't be used on any public road after the first day of May to the first day of October," said Col. Allan H. Weeks, Chief of the Maine State Police.

COUNTY COMMUNITY SERVICES TO ELECT REPRESENTATIVE FOR LOW INCOME PEOPLE

Charleen Chase, Executive Director of Oxford County Community Services (OCCS) has announced what will be a first for this anti-poverty agency—to nominate and elect at-large from this county a person to serve on the OCCS Board of Directors as a representative to Oxford County's low income people.

Currently the Board has five out of the six representatives of low income people it must have comprising its membership of eighteen. Though the person who fills the sixth seat does not have to be low income, he or she must be chosen by low income people. Six of the remaining twelve seats are filled by the County Commissioners. The remainder are chosen by the Board from a total list of "private" sector groups, such as, but not limited to, the Northern Oxford Association for Retarded Citizens, Chambers of Commerce throughout the County, and religious groups.

A nonprofit, private agency, OCCS obtains federal, state, and local monies in order to promote dignity and self-reliance among low income people in Oxford County. In fulfilling that mission, OCCS provides elderly and low income people the following: Children's Services—Head Start/Day Care; Comprehensive Employment & Training Program; Housing Services—the Rural Housing Institute, Self-Help Home Repair, Weatherization, Housing Rehabilitation Technician and Counseling Services; and the Outreach Program, which includes Emergency Energy Assistance, Senior Citizens, Intake & Referral, and home visits to disabled persons.

The OCCS Board makes all key decisions concerning policies, plans and programs. Among the most recent topics covered by the Board were revision of the Agency's personnel policy and salary structure and an evaluation of the services provided during the first half of the Agency's fiscal year.

"To continue its vital role in improving the quality of life for low income elderly and handicapped citizens here in Oxford County, the Board needs an individual who not only can devote time to meet with the Board the third Wednesday of every month, but who can also bring energy and commitment in the service of low income people," stated Mrs. Chase. "With unemployment on the rise, drastic increases in the price of food, fuel and shelter, and a continuing threat to the safety and health of elderly and low income people who live in substandard housing, it is of the utmost necessity to nominate and elect a person who is sensitive to the needs of people in our county," maintained Mrs. Chase.

In order to accomplish this task, the Board of Directors has decided to set in motion nominations and elections for the one seat that is up for grabs. According to Mrs. Chase, "The nominations officially begin on April 18 and close May 19 at 4:30 p.m. To be considered for election and placed on what will be a mail-out, mail-in ballot, a potential nominee who is 18 and a legal resident of Oxford County must have circulated and returned a petition gathering the names and signatures of 25 low income persons by May 19 at 4:30 p.m. to any OCCS office. They are located at the Swift River School in Roxbury, the Waldo Street CETA Intake office in Rumford, with the Main office located at 35 Market Square, South Paris. For those parts of the County removed from the OCCS offices, the following sites will also be provided for deposit of completed petitions. OCCS Outreach Worker, Ginnie Walker, Main Street, Bethel, Maine 04217, phone 824-3364 between the hours of 8 and 4:30; and Dot Bell, Lovell, Maine 04051, phone 925-1641 between the hours of 8 and 4:30. Only official petition forms will be used and will be available through our offices. A potential nominee must take care that the

persons signing his or her petition are low income, 18 years of age, and legal residents of Oxford County. A person can get petitions by either contacting OCCS by phone Monday through Friday from 8 to 4:30, mail, or drop in at OCCS, Box 278, Market Square, South Paris, Maine 04281, phone 743-7718; OCCS, Waldo Street, Waldo, Maine 04275, phone 364-3721; OCCS Intake Center, Waldo Street, Rumford Maine 04276, phone 364-2694; Ginnie Walker, Main Street, Bethel, Maine 04217; and Dot Bell, Lovell, Maine 04051.

When nominations are complete and petitions are certified for placement of the nominees' names on the election ballot, the Board will announce the results. The next step is a 30-day campaigning period, during which nominees can gather support for their election. At the end of this 30-day period, ballots will be mailed to OCCS low income clients, and all low income persons requesting them. The ballots should be marked according to the voters preference and mailed

back within 7 working days to be valid. "More information will be forthcoming on the actual election process. But right now it is important to let interested and concerned individuals know about the petition requirements and the deadlines involved," stated Mrs. Chase.

"What we're aiming at with this expanded nomination and election process," she said, "is to involve the maximum possible number of Oxford County low income people in choosing one of their six representatives to the OCCS Board. Barring any major difficulties with the process, OCCS will be selecting three low income Board members in much the same way next year, with possibly a shift to some kind of districting as opposed to at-large representation."

"Any individuals interested in serving with 17 other members to direct this Self-Help Agency should obtain petitions and signatures to begin the process," Mrs. Chase concluded.

wishing to donate anything, it will be welcome. Plans were discussed for Memorial Day. Next meeting will be May 12 at the Grange Hall. There will be a tasting party. Hazel Brooks gave a reading on President U. S. Grant.

The Woodstock Alumni met at the home of Larry Whitman on April 15 with five members and one guest present. Plans were discussed with June 7 given as a tentative date for the banquet and dance. There are six 50-year alumni and one 60-year alumnus who will be invited to the banquet as guests as well as the seniors from Woodstock and Greenwood. Nominating committee is Gilbert Dunham, Denise Swan and Leslie Thurlow. The alumni will give three \$50 scholarships to seniors whose parents or grandparents graduated from Woodstock High School. Please apply at the high school for these scholarships.

The next Alumni meeting will be May 13 to make posters and write invitations to guests. This will be at Larry Whitman's.

Louis Sicotte has been discharged after five weeks as a patient at the veterans hospital in Togus.

Mrs. Louis Sicotte flew to Newark, Del., to spend Easter week with her son and family, Mr. and Mrs. Gerald W. Smith.

Susan, daughter of Mr. and Mrs. Louis Sicotte, became the bride of Robert Sargent of Jamaica Plain, Mass., on Saturday evening, April 12.

Rain, rain, rain! Either we don't have enough or there is an overabundance. No happy medium!

Mr. and Mrs. Albert McAllister visited their grandson and family, Mr. and Mrs. Roger Hale and Kevin in Denmark on Sunday.

Sarah Andrews attended a baby shower for her granddaughter, Debbie Bean, in Oxford on Sunday.

Mr. and Mrs. Howard Inman and Mr. and Mrs. Robert Pope, went away on a week end trip.

Mr. and Mrs. Linwood Ring had supper with Alice and Arthur Wardwell on Sunday evening to help Alice celebrate her birthday.

Libby Scribner called on Alice Sunday afternoon.

Mr. and Mrs. Franklin Barton attended a business meeting and luncheon in Auburn on Tuesday.

Saturday evening they visited Mr. and Mrs. Billy Robinson, Sunday they visited family and friends in Brownfield and Conway.

Monday callers at the Barton Farm were Frank Barton Sr., Pam, Darlene and Dale Barton, and Don and Joan Leino.

Things are really looking up here at K.D.'s Acres. Everything is back in operation but the tractor.

Sure seems good to have water again after two weeks!

Due to the washout on the hill the boys were home from school Thursday and Friday.

Callers during the week were Mike Inman, June, Brian and Michelle, Jeff, Jim and Brett Barton, Joan Leino, Arthur Wardwell and Annie and Harold Nutting. Gus Paul and Polly McAllister were Saturday night supper guests.

Monday Margaret Barton took Doug and I up to Telstar where I registered Doug for school next year.

Mr. and Mrs. Harold Wilbur Jr. took his mother, Joyce Wilbur, to Boston Monday morning, from where she flew to California to visit her daughter for a while.

Mrs. Dorothy Boie, a sister of Mrs. Wilbur, who has been in California since last Christmas will fly home with her.

Olive Davis was in Bridgton visiting Mr. and Mrs. Arthur Andrews and family, Easter Sunday.

Mr. and Mrs. Paul Winkley and two children, Northboro, Mass., Mrs. Sharon Hooven and two girls and Mark Andrews, who just arrived from Oregon and Barbara Beloff, were in the party. A lovely ham dinner was served by the hostess, Lillian Harmon and yours truly were present. Mrs. Harmon was leaving for Northboro with Mr. and Mrs. Winkley where she will be spending some time.

Mr. and Mrs. Leon Poland Sr., held a rummage sale at the community building all this last week.

Theresa Wilbur was given a birthday party by her parents at her home, April 12. They were taken to a movie in Lewiston, and

when they arrived home, after having a supper out, all enjoyed ice cream and Theresa's birthday cake made by her mother, Sheril Wilbur. The girls bedded down on mattresses on the floor in the family room for the night. Those attending were Tammy Poland, Bethel; Amy Otero-Otero, Bryant Pond; Dee Dee Cox, Woodstock; Stacey and Theresa Wilbur.

I have had a new floor laid in my bathroom and new ceiling in the kitchen which was real bad. Bill Chick of Bridgton did the work. It looks real good now.

milk foods group, was also included.

To familiarize the students with sweetened condensed milk (which is sometimes confused with evaporated) the following demonstration was done. The recipe came to us with no name, so we call it simply "Graham Chocolate Dessert."

Put in top of double boiler: 3 squares semi-sweet or unsweetened chocolate.

1 can of sweetened condensed milk.

Large scoop (scant 1/2 c.) peanut butter.

Cook over boiling water for about 10 minutes or until the consistency of thick chocolate pudding. Remove from hot water.

"Frost" one side of each graham cracker from one pack (1/2 box) and stack. Lay stack on its side on a platter to form a log and frost top and sides with remaining chocolate mixture. Let set in refrigerator until firm, about 2 hrs. Slice diagonally for a striped effect. If you slice straight across you will be merely cutting between crackers.

When we woke up this morning the electric clock said 2:30 a.m. but it was light out. Thank goodness there were enough coals in the wood stove to get started quickly as the furnace wouldn't go. Was told that a tree had fallen across the branches. Our lights were off three hours in all.

Thursday we were wondering what would happen if the rain kept on. School was called off as so many of the secondary roads were covered by water and sides of the road were undermined by the water flow. The river was up and as one watched the water flowing by one could see trees, ice floes and other floating debris going merrily on its way to where? Saturday was watching some ducks lazily floating along when they took off as one wondered what had startled them. Suddenly two canoes came into view with two people in each one paddling the river, whether they were just out for a ride or hunting for something I have no idea. At least the rains did start the grass to turn green.

Early in the week I walked the Spring Road and ventured toward the summer blackberry patch. In places the path was soggy. There were changes along the way. The white birches with their dignity were as lovely as usual. But the gray birches which foresters often scorn and call the rabble of the birch family had begun to reclaim some of the waste land, cut over several years ago. They often open the way for pines, maples, or oaks.

As I headed back I heard the song sparrows, a new note upon the leafless boughs, a new song on the air that had grown cold during the winter hours.

April is not a sweet and gentle month but we do welcome it as a bridge from March to May.

Poets write of it in different ways. Stevenson wrote of "April come to bloom"; Chaucer said, "April with its flowers sweet" but Frost I think was nearest right when he wrote that April could be "one month on in the middle of May" or "two months back in the middle of March."

I also tried my luck at fishing for a while this week. No fish and no disappointment for I really didn't expect to get any.

While there fishing, three pairs of wood ducks and one pair of black ducks stopped in the distance. They were interesting to look at.

My biggest thrill came with the

Safety Tip of the Week

Choosing proper pesticides for your garden is a matter of knowing which chemical will do the best job with the greatest safety. Regardless of which product you select, all pesticides should be used with caution. According to law, all pesticides must be fully labeled with directions for the product's proper use, storage, and disposal. Follow these precautions to protect your eyes and skin; and avoid inhaling the dust or fumes. Remember—store all pesticides out of the reach of children. Happy Gardening in the months ahead, but please—Keep Safety in Mind.

CHILDREN OFTEN INJURED WHILE WAITING FOR BUSES

Serious injury can result when school children play on the roadway while waiting at bus stops. "There are unfortunate instances when youngsters waiting for school buses have gone out onto the roadway and have been struck by passing motor vehicles," said Commissioner Arthur A. Stilphen of the Maine Department of Public Safety.

According to Stilphen, "The safety problem of school children waiting at bus stops and playing on the roadway is likely to increase with warmer weather."

"While youngsters are waiting, they sometimes forget to be careful. Motorists are advised to be especially aware for children during early morning and mid-afternoon, and parents are urged to remind their youngsters that the bus stop is not a place for playing," Stilphen said.

FRANKLIN GRANGE #124 MET APRIL 7 AT WOODSTOCK

Franklin Grange #124, met April 7 in the big Grange room for the first time this year. The deputies, Louis and Myrtle Bisbee were present to carry on the second ritualistic meeting for this year. Many questions and instructions were given.

A very short program was given by the Lecturer. Brother and Sister were called upon. Song, Reach Out and Touch Someone was sung. A mystery march was had and some clippings of the third grade on world news were read. There came out in the Sun April 7 and were real cute. The members came up with cut stories. A reading was given by the Master. The meeting was closed with this thought: "God gave us two ends to use: One you think with, the other to sit with. Success depends on which end you choose; Heads you'll win, tails you'll lose."

There were 16 present. The next meeting will be April 21 when open house will be held and the public is invited to join in honoring a deserving citizen.

Cards were signed for two sick members, namely Robert Davis who has been in the hospital recently and Ethel MacKenzie, who fell recently.

CARD OF THANKS

I would like to thank all of my family, neighbors, the Ladies of West Bethel, the Gilead Women's Club, the World War I Auxiliary, the Senior Citizens, the Legion Auxiliary, the Woodstock Seventh Day Adventist Church and Sabbath School and all of my relatives, all those who sent cards and get well wishes, the Bethel Ambulance Service while I was in the hospital. A big thank you to all. I am home again. Thank you all so much.

COLD WATER, NO LIFE JACKET—BAD COMBINATION

Already this year, Maine has recorded one recreational boating fatality! In early spring, the water is COLD!—and cold water is a leading killer of fishermen and boaters who go over the side. More often than not, they die of exposure, or hypothermia, than by drowning.

In cold water, the body loses vital heat 30 times faster than in the air. Life expectancy in 33-40 degree water can be as short as 15 minutes with a life jacket—even less without!

Most sportsmen know the dangers and are properly prepared. But some continue to take unnecessary chances. In 1978, Maine experienced a total of 24 boating fatalities—and 12 of these were sportsmen (hunters and fishermen). In 1979, seven out of the 12 fatalities were in extreme cold water conditions.

This year's single fatality was a man who was not wearing his life jacket—and there's simply no excuse for that!

It is nearly impossible to put a life jacket on in the water, simply because of the sudden cold shock.

Remember: personal flotation devices are vital all the year round—they are required by law—and they are so attractive and comfortable today that there is no rational reason for not wearing them. Let's keep our record where it stands this year—one dead—and try for zero next year!

FORESTRY INCENTIVES PROGRAM FUND UP \$100,000

Arthur Carroll, State Executive Director for Maine, Agricultural Stabilization and Conservation Service, USDA, announces an increase of \$100,000 in funds for the Forestry Incentives Program in Maine. Under the Forestry Incentives Program (FIP), cost sharing at the rate of 75% of the cost of individual practices on tree planting, weeding, thinning and pruning forest stands is available to individual landowners in Maine.

Forty thousand dollars of these funds are earmarked for Aroostook County for planting nearly one million trees in that county. The remaining \$60,000 will be distributed in the near future to counties where additional FIP funds are needed.

HISTORIC RESOURCE SURVEY VOLUNTEERS MEET

Historic Resource Survey volunteers for Bethel and Greenwood met Monday night at the Moses Mason House for a workshop led by George Allen, Survey Project Director. The evening's topics included a review of the survey form, and a slide show on Historic Building Styles in Maine.

The Bethel Survey is presently taking place. In the good weather, surveyors will be working to record details of building structure and design. It is intended to survey and photograph all the buildings presently standing in Bethel.

The Greenwood Survey will cover buildings 50 or more years old in the town, and is planned to take place in May.

The overall aim of the Oxford County Historic Resource Survey is to assemble more information than has previously been generally known about the buildings and the history of the county.

BOBCAT KILL FIGURES RELEASED

Preliminary harvest figures for the 1979-80 bobcat season have been compiled by the Maine Fish and Wildlife Department.

Fish and Wildlife Commissioner Glenn H. Manuel announced a statewide total of 332 bobcats were taken by hunters and trappers, with the highest harvest occurring in central and eastern Maine.

Manuel said that the satisfactory harvest supports his denial of a season extension requested by hunters due to poor conditions early in the season. Late snows gave hunters almost ideal conditions during the final two weeks of the open season.

SAFETY CHAIRMAN WARNS AGAINST COMPLACENCY

Since many vehicles went off the roads during and after a spring snowstorm in mountainous areas of the state late last week, Maine Highway Safety Committee Chairman Lee Allen today cautioned motorists to be alert for more of the same weather anytime.

"Officials used words such as 'treacherous', slippery and dangerous', very bad' and others in describing road conditions last week," she said, "so I urge drivers everywhere not to be lulled into complacency because a late storm could arrive any day in Maine."

"Of course, the best thing to do under hazardous driving conditions is stay put," she continued, "but, if that's impossible, adjust your driving and your attitude to compensate for slippery roads and poor visibility as much as you can."

"Snow usually doesn't stay long this time of year," she concluded, "but while it's falling, driving can indeed be a chore. Be prepared and stay alert."

Locke Mills

Mrs. John Mills, Corres.

Reminder: The Greenwood Historical Society will sponsor a food sale this Friday, April 18, from 2:30 to 4:30 at the Locke Mills Yankee Grocer. Anyone wishing to donate or bake please contact Marie Bartlett or Phyllis Coolidge.

The Bethel Area Health Center will sponsor a Women's Health Workshop Wednesday, April 30 and Thursday, May 1. Wednesday's meeting will be held at 7 p. m. at the Telstar Library. Thursday's meeting will be at 1 p. m. at the Methodist Church. The meeting will last 2 hours and will include a movie from the American Cancer Society, a tape about mammography, techniques for self examination and smaller group practice on a plastic breast model. For more information call Kathy Tremblay at 824-2193. Remember finding breast cancer early could save your life.

Mr. and Mrs. Irving Cole, Marie and Susan, spent the week end in Bangor visiting their daughter, Mr. and Mrs. James Libby and baby daughter.

It is not everyone who cares to be a year older than he really is and Dora decided she really didn't want to be either, so when she realized she was 72, not 73 this year, she called so I could correct it. She says she must be forgetting how to count. She shouldn't feel too badly though. I was 47 for two years. I missed 46 entirely. One would think the years didn't go by fast enough as it is.

The April meeting of the Greenwood Historical Society was held on Wednesday, April 2, at the Locke Mills town hall with 18 members present. The safe committee reported that a safe had been obtained. George Allen showed slides on buildings in Oxford County which are of historical interest. He gave information on two workshops to be held in Bethel within a short time. A very interesting program was presented by Floribel Haines of East Bethel, who spoke on early crafts of the 1800's — weaving, basketmaking, knitting, rug making, tole painting, stenciling and candle wicking. Nancy Cross recorded the minutes of the meeting in the absence of the secretary.

Susan Cole, daughter of Mr. and Mrs. Irving Cole, celebrated her 13th birthday on Tuesday, April 15.

Mrs. Charles Day celebrated her birthday Saturday. She received many cards and a loaf of home made bread from a neighbor.

Mr. and Mrs. Wilfred Noyes of Wilton were supper guests of her parents Mr. and Mrs. Lester Cole on Tuesday of this week.

Steve Seames called on Mr. and Mrs. Lester Cole and Charlotte, Monday evening. He has employment on the coast for the summer.

Mrs. Lora Noyes is visiting her daughter and husband, Mr. and Mrs. Gilman Whitman at North Edgcomb.

Mr. and Mrs. John Mills were in Norway Tuesday evening on business.
